WAR COST UNITED STATES TREMENDOUS SUM OF 30 BILLIONS

WASHINGTON, July 9.—The
war cost the United States \$30,177,-
000,000 up to June 20, 1919.

Secretary Glass made this esti-

congressional appropriations com-

of the treasury on the condition of
the nation's finances. He arrived
at the estimate by subtracting the
average peace time expenses for
the same length of time at the rate
of \$1,000,000,000 annually from the
total expenditures \$32,427,000,000
during the war.

Taxes and other revenues than
borrowed money took care of \$9,-

the war cost. The remainder came
from Liberty bond and Victory note

"We have observed with indignation our country in

Asiatic governments. We would wish, if we could not st
tide of greed and avarice, at least to be ourself again, to
Americans."
