

The Arctic is Melting! Is it Time to Panic?

Join an international panel of researchers from the

Arctic Science IntegrAtion Quest

to discuss how the scientific community, stakeholders, the public and you can confront the challenges and opportunities of Arctic change

Tuesday April 9th 4:00-6:00 pm

Huddleston Hall

All are welcome!

Larry Mayer, The University of New Hampshire

Nina Kirchner, Stockholm University

Miyase Christensen, Stockholm University

Niklas Eklund, Umeå University

Hideaki Murayama, The University of Tokyo

Moderated by **Nancy Kinner**, The University of New Hampshire

<https://marine.unh.edu/smsoe-seminar-series>

Sponsored by the **Arctic Science IntegrAtion Quest (ASIAQ)** and **Stockholm University** (<https://asiaq.org/>).

Co-sponsored by the UNH School of Marine Science and Ocean Engineering (SMSOE) and the New England Arctic Network (NEAN)

(<http://nearctic.net>).
