#NEAN

This meeting will outline a charter and activities for a New England Arctic Network (NEAN), following the findings and recommendations of the March 2018: “NNA Convergence: Preparing for a Northwest Passage: a Workshop on the Role of New England in Navigating the New Arctic.” The primary objectives are to:

- 1. Draft a NEAN vision and charter**
- 2. Determine format, topics, and hosts for future NEAN activities**
- 3. Identify specific research themes and projects to initiate convergent collaborations**

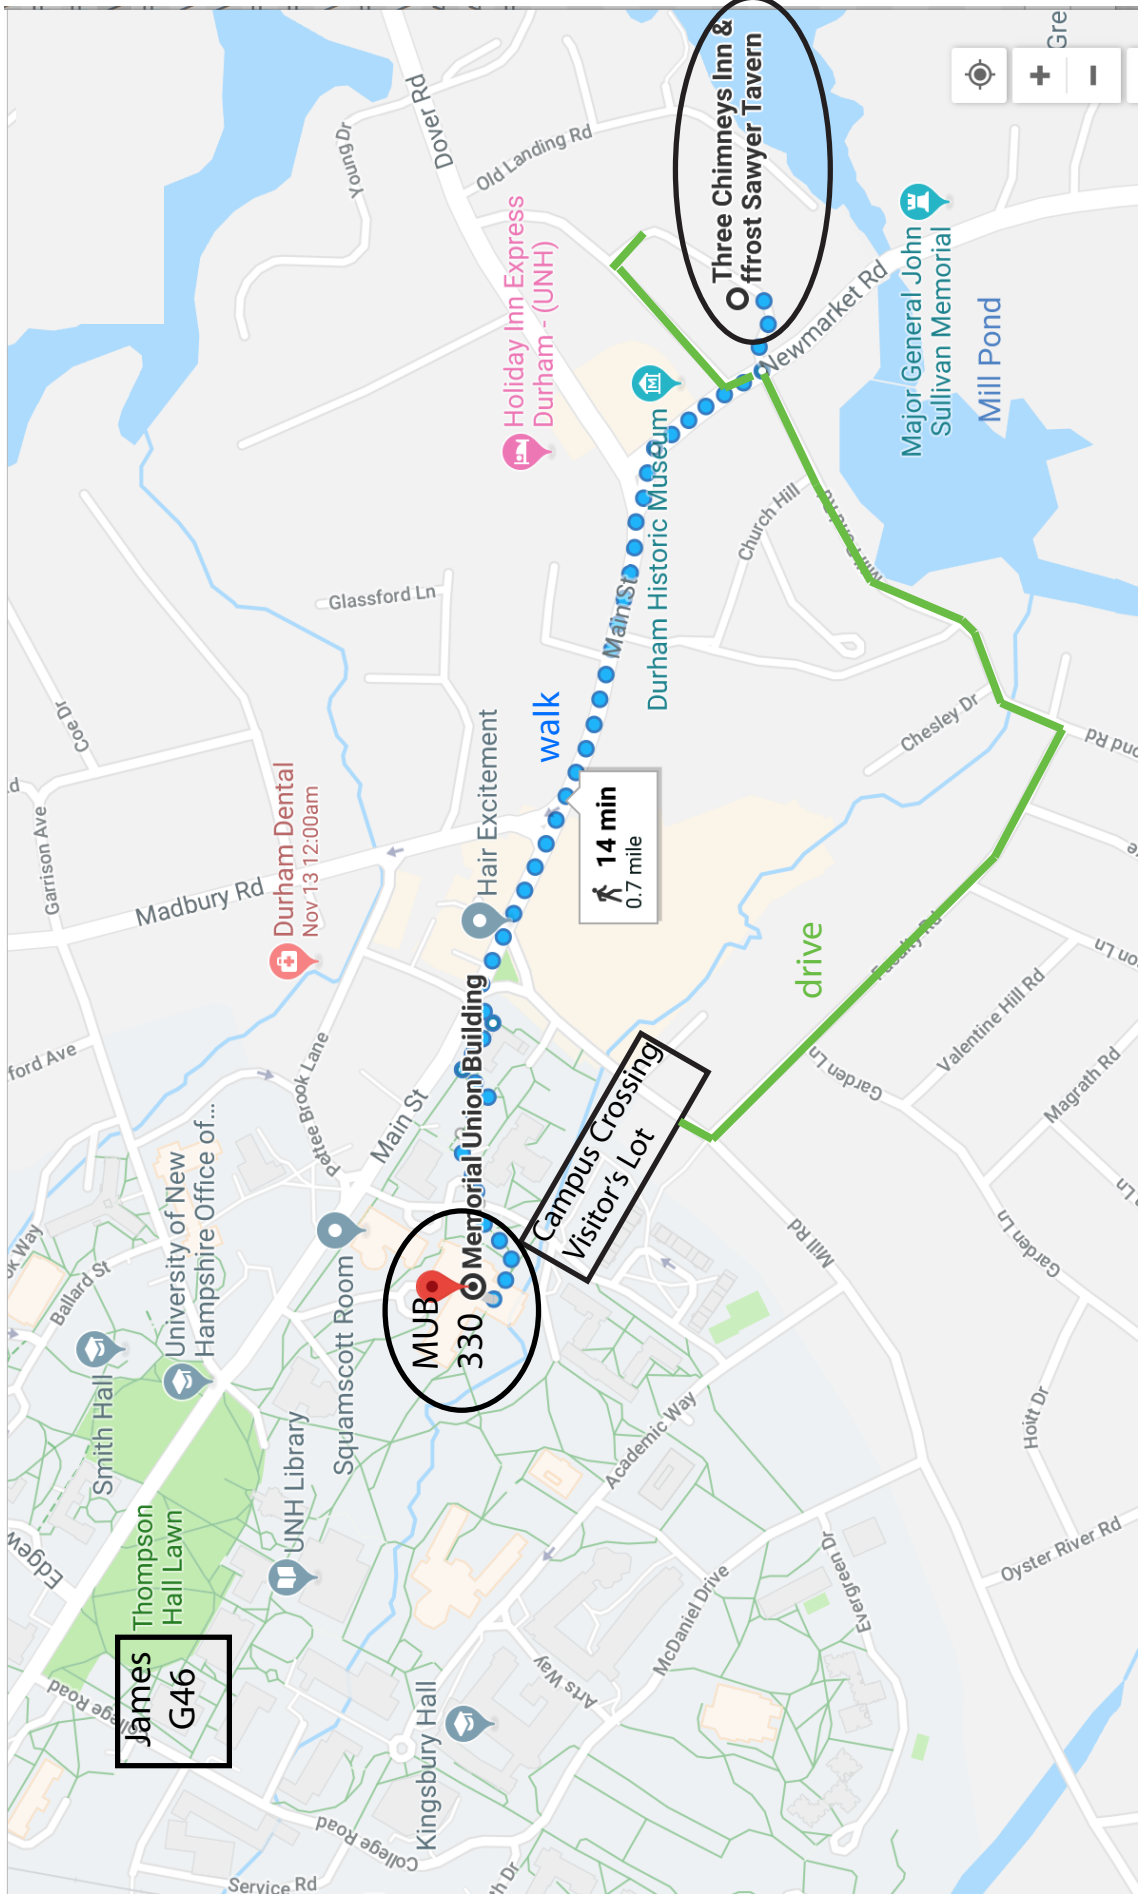

The goal of the regional, multi-institutional NEAN effort is to develop the capacity to study and respond to links between Arctic change and North America’s East Coast, with a particular focus on the North Atlantic, New England, and the Gulf of Maine.
